Subject: EPA PBDE Data - Request for Data Validation Reports

Hi Jennifer.

Could you please send the following request to EPA?

Chip and Eric,

I understand EPA will be sending the LWG PBDE data shortly. Would it be possible to also receive the data validation (DV) reports that pertain to the PBDE data? We will need them in order to properly categorize the data in the database. It would be helpful to receive the DV reports when we receive the data.

Thanks.

Sandy
